MEMORANDUM FOR: Ambassador Heyward Isham
Director, Office for Combatting Terrorism

SUBJECT: Your Memorandum of October 5, 1977,
Subject: [REDACTED]

25X1

1. During your October 11 conversation with [REDACTED]
[REDACTED] he mentioned his plans to complete studies on the
major international terrorist groups which pose a threat to
U.S. interests. During that conversation, he shared with
you his hope that he would ultimately be able to put those
studies into a computer to which we might later be able to
give you access.

2. Whereas we are prepared to produce a re-edited
version in the form of a CIA working paper, it is our feeling
that this might unnecessarily duplicate our reworking of
the paper on [REDACTED] for the computer system. If you agree,
we will put [REDACTED] paper into the same format we plan to
use for our computer system. As soon as this is done, we
will make it available to you in hard copy. If this is
satisfactory to you, please let us know.
